**Homepage**

Blue-and-white design ang homepage.

Kasama rito ang mga sumusunod:

- Log in or sign up
- Univ Quick Print logo at navigation menu.

- Isang tagline gaya ng “Skip the Line, Print on time.”
- Maikling paliwanag “Upload your files, select printing options, pay online and pick up when it’s ready”.
- Kitang-kitang button na “Print Now.”

**Next Page**

- Search bar para sa mga kalapit na printing shop at tingnan ang mga available na shop.
- Makita ang pangalan at address ng bawat shop, approximate distance, operating hours, available services, pricing information, at kasalukuyang availability.
- Kayang suportahan ng website ang maraming printing shop, hindi lang isang business location. Dapat makapag-register ng sarili nilang shop ang mga shop owner, pero kailangan muna itong ma-approve ng administrator.
- Merong manual selection ng location para sa mga users na ayaw magbigay ng GPS access.

**Sunod na Page(Upload & Print Settings)**

Makikita ang mga sumusunod kapag makapili na ng printing shop.

- File upload.
- Paper size: A4, Letter, Legal.
- Printing type: black-and-white o colored.
- Printing side: single-sided o double-sided.
- Number of copies.
- Page selection, kung supported.
- Karagdagang instructions para sa printing shop.
- Review screen bago i-submit ang order.

**Sunod Na Page(Order Summary)**

Bago makumpirma ang order, makikita ng customer ang mga sumusunod:

- Napiling printing shop.
- Pangalan ng document.
- Bilang ng pages, kung ma-detect ito nang maaasahan ng system.
- Number of copies.
- Paper size.
- Kung colored o black-and-white ang printing.
- Kung single-sided o double-sided ang printing.
- Printing cost.
- Anumang applicable na additional charges.

- Estimated total amount.

Kalkulahin ang total gamit ang aktuwal na pricing rules ng napiling shop.

**Sunod na Page( Payment & Pickup)**

Magawa ng customers ang mga sumusunod:

- Kumpirmahin ang napiling printing shop at detalye ng order.
- Pumili ng available na payment method(gcash, maya, gotyme)
- I-review ang final amount.
- Makapili ng Pickup Schedule(date at oras).
- Tingnan ang payment status at transaction reference.

**Sunod na Page(Order Tracking & Notifications)**

Merong status ang bawat order, gaya ng:

1. Order Submitted
2. Order Received
3. Accepted (kapag accepted yung order ay dapat may ibibigay na code UQP01,UQP02,UQP03 and etc.)
   - Ang makukuhang pickup code kahit merong iba't ibang printing shops ang pipiliin ay parehas lang na UQP01,UQP02, and etc. basta continuation lang sa kung ano ang last na code ang naibibigay ng kanya-kanyang shops.
4. Payment Pending or Paid
5. Printing in Progress
6. Ready for Pickup
7. Completed

**Customer Dashboard**

Kasama sa customer dashboard ang:

- Profile at account settings.
- Option para magsimula ng bagong printing order.
- Napiling printing shop.
- Recent at active orders.
- Order status tracking.
- Payment history.
- Pickup codes.
- Notifications.
- Completed at cancelled orders.

**Printing Shop Dashboard**

Kasama sa printing shop dashboard ang:

- Mga bagong papasok na order.
- Options para tanggapin o tanggihan ang order.
- Order queue at status management.
- Access sa documents para lang sa authorized staff.
- Printing settings at instructions para sa bawat order.
- Price list at service management.
- Shop profile at business hours.
- Pickup confirmation.
- Daily at monthly order summaries.
